MEMORANDUM FOR: Office of Logistics
ATTENTION : Survey Board
SUBJECT : Survey Reports CHAL-07, 08 and 09

1. The attached Survey Reports are forwarded for necessary action.
2. Reference part thirteen, Date and Circumstances, CHAL-07 and 08. The items contained on these Survey Reports are undoubtedly still in the Government service since Detachment "A" was inactivated "posthaste", assigned personnel did not clear through the Supply Section. Personnel previously assigned to Detachment "A" were re-assigned to the several other detachments and instructions were issued by Headquarters to the effect that the units were to query transferrors from Detachment "A" in regard to equipment brought from Detachment "A" and establish necessary supply records.
3. Reference CHAL-09, Date and Circumstances. The loss contained in this Survey Report occurred in early 1955 upon inception of Project CHALICE before supply records were established. Personnel concerned with the operation of this unit established accountable records in July 1955 but this item was never reported missing until the unit was inactivated in 1958. It is the opinion of this Headquarters that the item contained in this survey report was installed in an aircraft and has since been picked up as installed property in the Air Force system.
